**FILING INSTRUCTIONS:**

This directive supersedes Workforce Services Directive WSD08-7, dated November 4, 2008, and finalizes Workforce Services Draft Directive WSDD-45, issued for comment on August 31, 2010. The Workforce Services Division received one comment during the draft comment period. This comment resulted in one change to the directive, which is viewed as highlighted text. The highlighted text will remain on the Internet for 30 days from the issuance date. A summary of the comment is provided in Attachment 3. Retain this directive until further notice.

**BACKGROUND:**

WIA Section 117(c)(2), CERTIFICATION states:

- (A) **IN GENERAL.** – The Governor shall, once every two years, certify one local board for each local area in the State. [Also reference CUI Section 14200(b).]
- (B) **CRITERIA.** – Such certification shall be based on criteria established under subsection (b) [MEMBERSHIP] and, for a second or subsequent certification, the extent to which the local board has ensured that workforce investment activities carried out in the local area have enabled the local area to meet the local performance measures. (Also reference CUI Sections 14202-14205.)
- (C) **FAILURE TO ACHIEVE CERTIFICATION.** – Failure of a local board to achieve certification shall result in reappointment and certification of another local board for the local area pursuant to the process described in paragraph (1) [APPOINTMENT OF BOARD MEMBERS AND ASSIGNMENT OF RESPONSIBILITIES] and this paragraph.

WIA Section 117(c)(3), DECERTIFICATION states:

- (A) **FRAUD, ABUSE, FAILURE TO CARRY OUT FUNCTIONS** – Notwithstanding paragraph (2) [CERTIFICATION], the Governor may decertify a local board at any time after providing notice and an opportunity for comment, in regard to:
  - (i) fraud or abuse; or
  - (ii) failure to carry out the functions specified for the local board in any of paragraphs (1) through (7) of subsection (d) [FUNCTIONS OF THE LOCAL BOARD].
- (B) **NONPERFORMANCE** – Notwithstanding paragraph (2) [CERTIFICATION], the Governor may decertify a local board if a local area fails to meet the local performance measures for such local area for two consecutive program years [in accordance with section 136(h): SANCTIONS FOR LOCAL AREA FAILURE TO MEET LOCAL PERFORMANCE MEASURES].

The Governor recertified the current LWIBs in January of 2009 after determining that the composition of each LWIB met the criteria set in WIA Section 117(b), and each of the LWIBs designated local areas achieved their respective performance standards for recertification, as set by State policy. By December of 2010, the Governor must determine whether or not to recertify each of California's 49 LWIBs based upon their membership and their local area's performance during Program Year (PY) 2009-10.

## **POLICY AND PROCEDURES:**

### **Policy:**

The WIA Section 117 and CUIIC Sections 14202-14205 contain the requirements for nominating, selecting, and appointing LWIB members. Please refer to WIA subsections 117(b) and (c) for information regarding the process.

The WIA Section 117(c)(2) and CUIIC Section 14200(b) provide the federal requirement that the Governor shall, once every two years, certify one LWIB for each local area in the State. Accordingly, the Governor must decide, once every two years, whether or not to recertify the existing LWIB of each local area. A LWIB may be recertified if it has met the required membership and performance criteria, as stated in WIA Section 117(c)(2)(B), for PY 2009-10. In the event that a LWIB does not meet the criteria for recertification, the Governor is required to take action as described in WIA Section 117(c)(2)(C), Failure to Achieve Certification. In this circumstance, steps will be taken to provide the existing LWIB an avenue to correct issues resulting in failure to meet the recertification criteria, and may result in conditional recertification pending attempts to resolve these issues.

Per WIA Section 117(c)(3), the Governor may decertify LWIBs for fraud, abuse, failure to carry out their required functions, or failure to meet local performance measures for two consecutive years. The Governor may decertify a LWIB at any time for the specific reasons listed above. (Note: Decertification of a LWIB is an action separate from a LWIB failing to achieve certification.)

The California Workforce Investment Board (State Board) has adopted the following policy for recertifying LWIBs, which includes the minimum criteria in California for achieving locally negotiated performance measures:

***A LWIB can be recertified by December 2010 based on meeting the membership criteria, as described in WIA Section 117, and its designated local area achieving 80 percent or higher on at least eight of the nine locally negotiated common performance measures.*** (Note: For purposes of performance reporting, there is no distinction between a WIA funded participant and an American Recovery and Reinvestment Act (ARRA) WIA funded participant. Participants in all programs (except WIA Youth and Reemployment Services) funded with any combination of WIA and/or ARRA funds are considered to be participants in the regular WIA formula programs. As a result, LWIBs will report one set of local performance measures for PY 2009-10, which will be used to determine whether their local area achieved its respective performance standards for recertification.)

The nine common measures include:

<b>ADULT</b>	<b>DISLOCATED WORKER</b>	<b>YOUTH</b>
Entered Employment Rate	Entered Employment Rate	Placement in Employment or Education
Employment Retention Rate	Employment Retention Rate	Attainment of a Degree or Certificate
Average Earnings	Average Earnings	Attainment of a Literacy or Numeracy Gain

**Procedures:**

***In order for the Governor to determine that LWIBs are in compliance with the membership requirements of WIA Section 117(b) and CUIIC 14200-14205, all LWIBs are required to complete the attached LWIB Recertification Request. Comments are required to explain any vacant positions. The form must be signed by the LWIB chairperson or officially designated alternate.***

***The LWIBs must also complete the attached LWIB Mandated Functions Self-Certification in order to certify that they have carried out the functions specified for the local board in WIA Section 117(d) paragraphs (1) through (7). Both of these documents must be submitted to the WSD Program and Technical Assistance Section no later than 5:00 p.m. on October 29, 2010. For submittal instructions, see the subsection "ACTION" below.***

***Based on the performance outcomes reported to the DOL for PY 2009-10, the WSD will determine whether each local area achieved their respective performance standards for recertification as set by State policy [i.e. 80 percent or higher on at least eight of the nine locally negotiated common performance measures for PY 2009-10]. If a local area is not performing at a minimum of 80 percent in at least eight of the nine designated measures, State Board staff will coordinate with WSD staff to identify the local area's needs relative to improving performance. This will include requiring the local area and/or the LWIB to develop a jointly signed corrective action plan and the WSD staff working as necessary with the local area and/or the LWIB to help the local area improve its performance. The corrective action plan must be completed as required by [WIAD06-10](#), Subject: Local Workforce Investment Area Nonperformance Policy.***

***Additionally, the WSD Program and Technical Assistance Section will review monitoring and expenditure information that will be used to determine fraud, abuse, or failure to carry out the required local board functions as outlined under WIA Section 117(c)(3)(A).***

If a LWIB is determined to be out of compliance regarding its composition or performance, the WSD and State Board staff will work with the LWIB in a good faith effort to improve those areas out of compliance, granting conditional certification if necessary. Additionally, if the LWIB is out of compliance in terms of performance, the

recommendation to the State Board will include an outline of the LWIB's proposed corrective action plan. The State Board will forward final recommendations regarding recertification to the Governor. The LWIB will be notified in writing by December 31, 2010, regarding its recertification status.

## **ACTION:**

Please bring this directive to the attention of the LWIB and other relevant parties.

***The LWIBs are required to complete the attached LWIB Recertification Request and LWIB Mandated Functions Self-Certification and submit them to the WSD Program and Technical Assistance Section by 5:00 p.m., October 29, 2010. The WSD will accept signed or unsigned copies on or before this date. The signed copies must be received no later than November 30, 2010. Requests submitted after this deadline will not be accepted.***
