SUBJECT: CalJOBSSM CASH REQUEST HANDBOOK

EXECUTIVE SUMMARY

<u>Purpose</u>

The *CalJOBSSM Cash Request Handbook* (handbook) provides guidance to any Local Workforce Investment Area (LWIA) or subgrantee with a contract funded through the *Workforce Investment Act* (WIA) who needs cash to pay for expenditures incurred against their contract. Hereafter, all references made to LWIAs will be referred to as subgrantees.

This handbook eliminates obsolete references to programs that have ended and also provides detail on the cash request process, whether using the State's on-line CalJOBSSM system or making the request through a manual process.

<u>Scope</u>

This directive applies to all subgrantees of WIA funds.

Effective Date

This directive is effective on date of issue.

STATE-IMPOSED REQUIREMENTS

This directive contains some State-imposed requirements. These requirements are indicated by **bold**, *italic type*.

The EDD is an equal opportunity employer/program. Auxiliary aids and services are available upon request to individuals with disabilities.

FILING INSTRUCTIONS

This directive finalizes Workforce Services Draft Directive WSDD-109 issued for comment on December 4, 2014. The Employment Development Department (EDD) received no comments during the draft comment period. Retain this directive until further notice.

BACKGROUND

The handbook provides instructions to any subgrantee of WIA funds and other types of funds, who has entered into a binding contract with the EDD, and needs cash to meet their expenditures for the programs. This handbook provides information needed to order cash using the EDD CalJOBSSM Cash Draw system. The handbook also addresses the process to follow when entities must manually order cash using a hard copy request form.

POLICY AND PROCEDURES

This handbook contains various forms and instructions. *All subgrantees are responsible for ensuring compliance with the requirements contained within the handbook.*

All subgrantees must monitor their cash draws to ensure their account does not reflect an "excess cash" balance. The Federal Department of Labor (DOL) and the EDD define excess cash as any amount that is not disbursed within three to four working days after receipt. A notification screen is generated by CalJOBSSM whenever an entity requesting cash does not update the "cash disbursed" fields. Failure to update the "cash disbursed" fields. Failure to update the "cash disbursed" field may cause the denial of a cash request.

ACTION

Bring this directive to the attention of all appropriate staff and subgrantees.
