SUBJECT: AB 2060 - SUPERVISED POPULATION WORKFORCE TRAINING  
GRANT PROGRAM

With the passing of Assembly Bill 2060 (Chapter 383, Statutes of 2014), approximately \$875,000 have become available for grants as part of the Supervised Population Workforce Training Grant Program. These grants will fund programs that establish competitive workforce training programs that allow individuals on probation, mandatory supervision, and postrelease community supervision to obtain a marketable and industry or apprenticeship board recognized certification, credential, or degree. In addition, the California Workforce Investment Board (State Board) is interested in funding programs that further advance the goals of the State Strategic Plan through the following:

- **Collaboration** among partners in development of service delivery strategies and alignment of resources to better connect the supervised population to employment.
- **Innovation** that creates new or adapts existing approaches of promising practices in workforce development and skill attainment.
- **System change** that utilizes these grants to encourage adoption of proven strategies and innovations that are sustained beyond the grant period.

Successful programs will create new, or expand existing, regional partnerships that include Local Workforce Investment Boards (local boards), community colleges, community-based organizations, labor organizations, and industry associations or coalitions of employers. Funds awarded under this grant may be used to provide training, "earn and learn" activities, support services, and job placement assistance.

Proposals must be received by April 17, 2015. Eligible Proposers for this Supervised Population Workforce Training Grant Program include all California counties or consortiums of counties, local boards, nonprofit community-based organizations and other nonprofits, labor and business organizations, education entities, etc. For more information on this funding opportunity and its requirements, please refer to the Solicitation Notice, AB 2060 Supervised Population Workforce Training Grant Program, on the State Board's web page at [www.cwib.ca.gov/Initiatives.htm](http://www.cwib.ca.gov/Initiatives.htm).
