

## WIOA MOU PHASE II - REGIONAL TRAINING SESSIONS

The California Workforce Development Board, the California Workforce Association (CWA), and the Employment Development Department are sponsoring two *Workforce Investment and Opportunity Act* (WIOA) Memorandums of Understanding (MOU) Phase II training sessions. The training will assist Local Workforce Development Boards (Local Board) and their partners in developing cost sharing agreements for both infrastructure budget(s) and other shared cost budget(s).

Training sessions will address what to include in cost sharing agreements, who is expected to participate, and how to design satisfactory agreements. Guidance will be based on Workforce Services Draft Directive [WSDD-151](#) - WIOA Phase II MOUs and the forthcoming final directive. Local Boards are encouraged to invite colocated partners who are participating in the cost sharing agreements, and Local Board financial staff who will be facilitating the process.
