SUBJECT: PY 2013-17 STATE PLAN, PUBLIC COMMENT, AND LOCAL PLANNING Q&As

The purpose of this Information Notice is to inform the Workforce Development Community that the California Workforce Investment Board (State Board) has developed California's State Strategic Workforce Development Plan (State Plan) for Program Year (PY) 2013-17. The five-year State Plan serves as the framework for the development of public policy, fiscal investment, and operation of all state labor exchange, workforce education, and training programs and meets the requirements of [Training and Employment Guidance Letter 21-11](#): "Requirements for 2012 State Workforce Plans."

The [State Plan](#) was approved by the State Board during its February 13, 2013, meeting and has been reposted on the State Board's website for a second public comment period. Comments will be accepted until 5 p.m. on March 15, 2013. During the initial public comment period, the State Board received input from workforce system partners, which has been incorporated into the State Plan.

In addition, the State Board conducted eight regional technical assistance sessions to introduce local boards to the local planning guidance and local plan evaluation criteria. The questions and answers (Q&As) from those sessions are available on the [Technical Assistance Forums](#) page on the State Board's website.

If you have any questions, contact Daniel X. Patterson at the State Board by e-mail at Daniel.Patterson@cwib.ca.gov or by phone at (916) 324-2853.
