SUBJECT: PROGRAM YEAR 2014 RAPID RESPONSE FUNDING

This Information Bulletin announces the Rapid Response funding provided to Local Workforce Investment Areas (Local Areas) for the period of July 1, 2014, through June 30, 2015; see attachment for specific funding detail. Please note these allotments include both the "formula" Rapid Response funding along with new, separate allotments for "Layoff Aversion," consistent with the new policy detailed in Workforce Services Draft Directive [WSDD-105](#) published on June 10, 2014.

These funds can only be used to defray the cost of required and allowable Rapid Response activities in response to layoffs, business closures, and natural disasters. Expenditures for activities described in Sections 665.310, 665.320, and 667.262(b) of the federal regulations (20 CFR Part 652) will be reimbursed under the formula Rapid Response grant code. Other activities not described in these sections must be paid with other funds.

As referenced in Draft Directive WSDD-105, baseline, layoff-based, and hold-harmless Rapid Response funds will continue to be issued to each Local Area in their master subgrant, as grant codes 540 and 541. These formula funds may be spent on the wide range of required and/or allowable activities. Local Areas shall continue to report Incumbent Worker Training (IWT) participant enrollments funded with Rapid Response formula funds, under grant code 274. Layoff Aversion funding will be issued under grant codes 292 and 293 in each Local Area's master subgrant. These funds are to be spent exclusively on layoff aversion activities, which don't include IWT.

Participants receiving Additional Assistance services must be enrolled in grant code 241. Funds used for training services when serving Additional Assistance participants qualify as "leveraged resources" which will assist Local Areas in meeting the 25 percent training expenditure requirement as described in Directive [WSD11-9](#).

Consistent with other PY 2014-15 WIA allocations, these funds will not be available until the State budget is in place.

If you have any questions regarding this information, please contact your [Regional Advisor](#).
