TO: WORKFORCE DEVELOPMENT COMMUNITY

SUBJECT: REVISION OF AMENDMENT TO WIA FORMULA ALLOCATIONS—PY
2014-15

This Information Notice supersedes WSIN14-33.

The Employment Development Department is now announcing the revised allocations for round two (commonly referred to as “advanced” funds) Workforce Investment Act (WIA) formula funds for each Local Workforce Investment Area (Local Area) for the Adult and Dislocated Worker funding streams for Program Year (PY) 2014-15. The U.S. Department of Labor (DOL) has overturned the 0.0554 percent rescission contained in the Continuing Appropriations Resolution, 2015, which was applied to round two allotments.

Since the rescission allotment was awarded from the DOL after December 26, 2014, the new Federal Uniform Guidance (Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards; Final Rule) will apply. However, to ease the burden on the Local Areas of tracking PY 2014-15 funding with two separate sets of rules, the Department disbursed the additional PY 2014-15 rescission funds from existing WIA funds in the Governor’s Discretionary budget. Therefore, the revised rescission funds that each Local Area will receive will be subject to WIA regulations instead of the new Uniform Guidance. The new Uniform Guidance will go into effect with PY 2015-16 allotments.

The revised allotments to California, and the amounts available for formula allocation to the Local Areas, are listed below. Attachment 1 reflects the revised total amount Local Areas will receive for each of the funding streams during the PY 2014-15. Additionally, Attachment 2 provides a breakdown of how each of the three funding streams is allocated. Note that the rescission has been applied only to round two.

<u>PY 2014-15</u>	<u>Total Allotment</u>	<u>Amount Available for Formula Allocation</u>
