SUBJECT: ETPL MINIMUM PERFORMANCE STANDARDS – PY 15/16 ELIGIBILITY

The California Workforce Development Board (State Board) is releasing the statewide minimum performance standards for training programs listed on the California Eligible Training Provider List (ETPL). The following performance standards were approved on August 13, 2013 by the State Board. The performance standards will be reviewed and updated in the fall of 2016 as part of the state level negotiation process for the *Workforce Innovation and Opportunity Act* (WIOA) performance standards. Programs listed on the ETPL must be in priority or in-demand industry clusters/sectors identified in WIOA regional plans and/or the State Workforce Development Plan, in addition to meeting the following performance measures:

- **Private Postsecondary Training Programs** must meet and maintain a 70% placement rate for all eligible graduates in that program. Training must be for occupations in priority sectors identified in the State plan and/or local area plans. Training must result in completion/receipt of an industry recognized credential, certificate, or degree, including all industry appropriate licensing and/or certification requirements.
- **California Community College Programs** must achieve and maintain a 70% certificate or credential attainment rate overall, and a 70% Placement Rate in training-related employment for WIA enrolled students in that program. Training must be for occupations in priority sectors identified in the State plan and/or local area plans. Training must result in completion/receipt of an industry recognized credential, certificate, or degree, including all industry appropriate licensing and/or certification requirements.

For additional information pertaining to ETPL policy, please refer to the WIOA ETPL Policy and Procedures directive. Please contact Daniel X. Patterson at 916-324-2853 if you have any questions regarding this information.
