

PY 17 PARTICIPANT AND PERFORMANCE REPORTING

Consistent with the Department of Labor’s (DOL) guidance published in Training and Employment Guidance Letter [\(TEGL\) 10-16](#), Change 1, the Employment Development Department established the participant reporting timeline for the Program Year (PY) 2017 *Workforce Innovation and Opportunity Act* (WIOA) Annual Report. As a reminder, the performance reporting requirements referenced in Section 116 of the WIOA were fully implemented as of July 1, 2016.

The following are key dates for PY 17 participant data reporting in CalJOBSSM and to the DOL:

DATE	ACTION
July 2, 2018	The EDD will request the California base wage, and WRIS files from the CalJOBS vendor and submit them for matching against the employer wage file.
July 20, 2018	Employer wage match data will be reported in CalJOBS.
July 30, 2018	All participant data must be reported in CalJOBS to meet the 30 day lockdown policy referenced in the Directive <i>CalJOBS Participant Reporting</i> (WSD13-11).
August 1, 2018	The EDD will begin to submit the 4 th quarter Participant Individual Record Layout (PIRL) file to DOL.
August 14, 2018	4 th quarter file due to DOL.
August 30, 2018	Last day for Local Workforce Development Areas (Local Areas) to input supplemental data, Measurable Skill Gains, and Credential Attainment data for participants included in the PY 2017 Annual Report.
August 31, 2018	Any Local Area with a Pay-for-Performance contract must submit the ETA 9174, Pay-for-Performance Report to: wsbmanageperformance@edd.ca.gov .
September 3, 2018	The EDD will begin to submit the PY 2017 annual PIRL file to DOL.
October 1, 2018	PY 17 annual file due to DOL.

The EDD is an equal opportunity employer/program. Auxiliary aids and services are available upon request to individuals with disabilities.

DATE	ACTION
October 15, 2018	California Workforce Development Board approves and submits the California PY 17 Annual Report to DOL.

For those employed participants not found via the employer wage file matching, Local Areas must submit supplemental outcome data no later than August 30, 2018. The need for supplemental data may not be apparent due to the lag in performance outcomes under WIOA. However, if the agency predicts that base wage data will not be available due to a pseudo social security number, or because the participant is self-employed, the data should be entered into CalJOBS as soon as possible following the close of the second and fourth quarters after exit from the program. Guidance related to acceptable supplemental wage data under WIOA can be found in [TEGL 26-16](#).

The following are key dates to determine the participants included in the PY 17 Annual Report:
