

Disability Insurance and Paid Family Leave Weekly Benefit Amounts

(This chart reflects maximum weekly benefit amounts for claims beginning on or after January 1, 2022.)

This chart shows what your weekly benefit might be based on your highest quarter of earnings in your base period.

If your claim begins in	Your base period is the 12 months ending last
January, February, or March	September 30
April, May, or June	December 31
July, August, or September	March 31
October, November, or December	June 30

You should carefully decide the date you want your claim to begin. If you want your claim to begin later than the beginning date of your disability or family leave so that you will have a different base period, do not submit your claim before calling the appropriate office.
