Important Information

Electronic Reporting and Payment Requirement: As of January 1, 2018, employers must electronically submit employment tax returns, wage reports, and payroll tax deposits to the EDD. State Information Data Exchange System (SIDES): Employers and third party administrators can elect to electronically receive and respond to the EDD’s Notice of Unemployment Insurance Claim Filed (DE 1101CZ) using SIDES. Learn more at www.edd.ca.gov/SIDES.

New Employee Registry (NER): All employers are required by law to report all newly hired or rehired employees to the NER within 20 days of their start-of-work date. For more information, visit www.edd.ca.gov/Payroll_Taxes/FAQ__California_New_Employee_Registry.htm or refer to page 39.

Tax Seminars: The EDD continues to partner with other agencies to provide you with the information you need to comply with California payroll tax laws. For more information, visit www.edd.ca.gov/payroll_tax_seminars.

Fraud Prevention, Detection, and Reporting: For information on how to prevent and detect Unemployment Insurance (UI) fraud, see page 51. WHO IS A HOUSEHOLD EMPLOYER?

You may be considered a household employer if you hire someone to work as your employee in or around your home for the benefit of your personal household and not your business. If you employ one or more employees for your business, you will need to register as a commercial employer.

Household employment may occur in a variety of settings, such as a:

• Private home
• Summer or winter home
• Local chapter of a college fraternity or sorority

• Apartment
• Condominium
• Hotel room (when the worker is employed by you, not the hotel)

• Boat or mobile home
• Local college club

Private homes include fixed places of residence, apartments, and hotel rooms in which an individual or family reside. Private homes do not include premises used primarily as a business enterprise, such as a residential care home, boarding house, hotel, hospital, etc., unless the workers are employed by the resident of such a facility and not by the business.
WHO IS CONSIDERED A HOUSEHOLD EMPLOYEE?

The worker is your employee if you control what work is done and how it is done. If the worker is your employee, it does not matter whether the work is temporary, full-time, or part-time, or that you hired the worker through an agency.

The worker is an independent contractor, and not your employee, if only the worker can control how the work is done. An independent contractor worker usually provides his or her own tools and offers services to the general public in an independent business.

Refer to the table below for a list of workers who are or are not considered household employees. This list is not intended to be a complete list of household employees.

Family Employment – Spouses, parents, minor children (under 18 years old), and registered domestic partners are not considered employees for payroll tax reporting purposes. However, if both the employer and exempt family member agree, they can voluntarily elect to withhold, report, and pay State Disability Insurance and/or Personal Income Tax. For additional information, refer to Information Sheet: Family Employment (DE 231FAM) and Information Sheet: Specialized Coverage (Elective Coverage for Exempt Workers) (DE 231SC) available online at www.edd.ca.gov/payroll_taxes/forms_and_publications.htm.

¹ A worker who performs childcare services for you in his or her home generally is not your employee.
² Unless employed by a catering service.
³ Unless employed by a gardening service.
⁴ Unless employed by a pool maintenance service.
⁵ As long as the requirements of Section 606.5 and 687.2 of the California Unemployment Insurance Code (CUIC) are met.

Refer to the Information Sheet: Household Employment (DE 231L) online at www.edd.ca.gov/pdf_pub_ctr/de231l.pdf for additional information regarding household employment.

You may also contact the Taxpayer Assistance Center at 1-888-745-3886 to obtain a DE 231L or for assistance in determining whether the people who work for you are independent contractors or household employees.

For the latest news and helpful information, refer to the online quarterly California Employer Newsletter at www.edd.ca.gov/payroll_taxes/california_employer_newsletter.htm.
WHEN SHOULD YOU REGISTER AS AN EMPLOYER?

You must register with the Employment Development Department (EDD) within 15 days after you have paid $750 or more in total cash wages in a calendar quarter to one or more people who work as your household employee. Refer to page 4 for additional information on who is considered a household employee.

Cash wages include payment for services by check or cash. Do not include noncash wages, such as meals and lodging, when calculating whether you have reached $750 in cash wages. Refer to “What Are Wages?” on page 10 for a complete definition of cash and noncash wages.

Once you meet the $750 in cash wage limit, you must also include all cash and noncash payments as subject wages. The amount of subject wages you pay in a calendar quarter will determine the employer payroll taxes you are required to withhold and pay.

You are required to report employee wages that are subject to California Personal Income Tax (PIT), but you are **not** required to withhold PIT unless you and your employee(s) agree to do so. Refer to page 10 for information regarding PIT wages and page 13 for information about PIT withholding.
HOW TO REGISTER AS AN EMPLOYER

You must register with the EDD as a household employer for California payroll tax purposes when you have paid cash wages totaling $750 or more in one calendar quarter to one or more people who work as your household employee.

ACTION REQUIRED: Review the filing requirements for each type of household employer on page 16 to assist in determining whether you should register as an annual or quarterly household employer.

- If you are a household employer and plan to pay $20,000 or less in cash and noncash wages in one calendar year, you may elect to register as an ANNUAL household employer. You must complete an Employer of Household Worker Election Notice (DE 89) to apply for the election. You will be required to complete a tax return and pay taxes annually and submit wage reports on a quarterly basis.

- If you are a household employer and plan to pay more than $20,000 in cash and noncash wages, you will be registered as a QUARTERLY household employer. You will be required to complete a tax return, wage report, and pay taxes on a quarterly basis.

- If you are a household employer and plan to pay $20,000 or less in cash and noncash wages in a calendar year and do not elect to be an annual household employer, your account will be registered as a quarterly household employer.

ACTION REQUIRED: Complete the registration online or by mail:

Register online using the EDD e-Services for Business at www.edd.ca.gov/e-Services_for_Business.

Register by Mail

Complete and mail an Employers of Household Workers Registration and Update Form (DE 1HW). The DE 1HW registration form is available online at www.edd.ca.gov/pdf_pub_ctr/de1hw.pdf.

Fax: 1-916-654-9211

If you have questions about registering as a household employer, contact the Taxpayer Assistance Center at 1-888-745-3886.

Posting Requirements

Once you are registered with the EDD, you will receive a notice to post in your workplace that informs your employees of their rights under the Unemployment Insurance (UI) and State Disability Insurance (SDI) programs. SDI includes Disability Insurance (DI) and Paid Family Leave (PFL). This notice must be posted in a prominent location that is easily seen by your employees. You will receive one of the following notices if you are subject to:

- UI only – Notice to Employees–Unemployment Insurance Benefits (DE 1857D).
- DI and PFL only – Notice to Employees (DE 1858).
Notices and Pamphlets

Employers must provide a copy of the following notice and pamphlets to each employee to explain employees’ benefit rights:

- *For Your Benefit: California’s Programs for the Unemployed* (DE 2320) provides information on Unemployment Insurance (UI), Disability Insurance (DI), Paid Family Leave (PFL), and Workforce Services benefits available to the employee.
- *Paid Family Leave* (DE 2511) outlines PFL benefits.

WHAT ARE WAGES?

Wages are all compensation for an employee’s personal services, whether paid by check, cash, electronic debit or the reasonable cash value of noncash payments, such as meals and lodging. The method of payment, whether by private agreement, consent, or mandate, does not change the taxability of wages paid to employees. Payments are considered wages even if the employee is a casual worker, a day or contract laborer, part-time or temporary worker, or paid by the day, hour, or any other method or measurement. In addition, how employees are paid does not change the employer’s responsibility for payroll taxes. Supplemental payments, including bonuses, overtime pay, commissions, and vacation pay are also considered wages.

If you pay your employees’ share of Social Security, Medicare, and/or State Disability Insurance (SDI) without deducting the amounts from their wages, these payments may also be wages. The Information Sheet: Social Security/Medicare/State Disability Insurance/Federal Income Taxes Paid by an Employer (DE 231Q) is available online at www.edd.ca.gov/pdf_pub_ctr/de231q.pdf, or by contacting the Taxpayer Assistance Center at 1-888-745-3886.

What Are “Subject Wages?”

Generally all wages, unless excluded under the California Unemployment Insurance Code, are considered subject wages and are used to determine the amount of Unemployment Insurance (UI), State Disability Insurance (SDI), and Paid Family Leave (PFL) benefits a claimant should receive. Subject wages are the full amount of wages paid to an employee, regardless of the UI and SDI taxable wage limits. Refer to the inside cover for the 2019 taxable wage limits.

What Are Personal Income Tax (PIT) Wages?

Personal Income Tax (PIT) wages are cash and noncash payments subject to state income tax. Wages that must be reported on an individual’s California income tax return are PIT wages. Most payments for household employees’ services should be reported as PIT wages.

An employee’s calendar year total for PIT wages should agree with the amount reported on the employee’s federal Wage and Tax Statement (Form W-2) in Box 16 (state wages, tips, etc.). Household employers are not required to withhold PIT; however, they are required to report PIT wages for each household employee.

For additional information about PIT wages, refer to page 13.

Are Subject Wages and PIT Wages the Same?

In most situations, subject wages and PIT wages are the same. However, subject wages and PIT wages are reported separately on your EDD quarterly wage report.

For additional information:

These forms are available online at www.edd.ca.gov/payroll_taxes/forms_and_publications.htm or you can contact the Taxpayer Assistance Center at 1-888-745-3886 for assistance.
Values of Meals and Lodging

Meals and lodging provided to employees are wages. If your employees are covered under a contract of employment or union agreement, the taxable value of meals and lodging should not be less than the estimated value stated in that document. If the cash value is not stated in an employment contract or union agreement, please use the tables and information below to determine the value of the meals and/or lodging you provide to your employees. Meals and lodging furnished for the employer’s convenience and on the employer’s premises are not subject to Personal Income Tax (PIT). If you withhold Personal Income Tax (PIT) from your employees’ wages, please refer to page 13.

Withholding California Personal Income Tax (PIT)

If a household employee wishes to have California Personal Income Tax (PIT) withheld from his or her wages and you agree to withhold it, you need to report and send the PIT withheld to the EDD.

To have California PIT withheld, your employee(s) must complete a federal Employee’s Withholding Allowance Certificate (Form W-4) or state Employee’s Withholding Allowance Certificate (DE 4) if their state withholding status is different from the federal. You can refer your employee(s) to the online calculator at www.edd.ca.gov/payroll_taxes/pdf/de4-online-calculator.pdf, which will allow them to calculate and print the DE 4.

The California Withholding Schedules are available online at www.edd.ca.gov/payroll_taxes/rates_and_withholding.htm to determine the amount of PIT to be withheld from wages.

The DE 4 can be downloaded from www.edd.ca.gov/payroll_taxes/rates_and_withholding.htm, ordered online at www.edd.ca.gov/forms, or contact the Taxpayer Assistance Center at 1-888-745-3886.

PIT Wages and the Value of Meals and Lodging: Meals and lodging are excluded from PIT wages and withholding if you provide meals and lodging to your employee(s) because it is convenient for you, and:

- Meals are furnished on your premises;

and/or

- Lodging is furnished on your premises and is required as a condition of employment.

Example: A governess lives and eats meals in your home so she can take care of your children. The value of the meals and lodging would not be considered PIT wages, and PIT would not be withheld because the meals and lodging are furnished on your premises for your convenience.

The value of the meals and lodging would be included in total subject wages reported on the Employer of Household Worker(s) Quarterly Report of Wages and Withholdings (DE 3BHW) for annual household employers and on the Quarterly Contribution Return and Report of Wages (Continuation) (DE 9C) for quarterly household employers. For additional information, the Information Sheet: Personal Income Tax Wages Reported on the Quarterly Report of Wages and Withholdings for Employers of Household Workers (DE 3BHW) (DE 231PH) is available online at www.edd.ca.gov/pdf_pub_ctr/de231ph.pdf.

If the meals and lodging do not meet the exclusion listed above, these amounts must be added to the cash wages paid to your workers before computing the amount of PIT to withhold. Refer to the “Values of Meals and Lodging” tables on page 11 to determine the cash value to report, or go online at www.edd.ca.gov/payroll_taxes/rates_and_withholding.htm.

Remember:

- An employee’s calendar year total for PIT wages should agree with the amount reported in Box 16 on the employee’s Wage and Tax Statement (Form W-2). Additional information about the Form W-2 is available on the Internal Revenue Service website at www.irs.gov.

- While household employers are not required to withhold PIT, they are required to report PIT wages on the DE 3BHW or DE 9C. The PIT wages are reported separately from subject wages on the quarterly wage reports (DE 3BHW or DE 9C) that you file with the EDD.
E-FILE AND E-PAY MANDATE

California passed Assembly Bill (AB) 1245 (Chapter 222, Statutes of 2015) requiring all employers to electronically submit employment tax returns, wage reports, and payroll tax deposits to the Employment Development Department (EDD). Depending on the number of employees, the requirement was phased-in as follows:

- January 1, 2017 - Employers with 10 or more employees are required to electronically submit employment tax returns, wage reports, and payroll tax deposits.
- January 1, 2018 - All remaining employers are required to electronically file and pay.

Benefits of Electronic Filing and Payment

- Increases data accuracy.
- Protects data through encryption.
- Reduces paper and mailing cost.
- Eliminates lost mail.

ANNUAL HOUSEHOLD EMPLOYERS

Overview

Household employers who pay $20,000 or less in cash and noncash wages in one calendar year and are current on their reporting and payments may elect to make one yearly payment for their California payroll taxes. If you elect to pay taxes annually, you must still report employee subject wages, Personal Income Tax (PIT) wages, and PIT withholdings quarterly.

You will not automatically be considered an annual household employer, even if you pay $20,000 or less in wages.

To request to become an annual household employer, you must use the following form:

- Employer of Household Worker Election Notice (DE 89). Refer to information below regarding the DE 89.

If you are approved as an annual household employer, you must file the following forms:

- **Quarterly:**
  Report employee subject wages, Personal Income Tax (PIT), and PIT withholding on an Employer of Household Workers(s) Quarterly Report of Wages and Withholdings (DE 3BHW).

- **Annually:**
  File an Employer of Household Worker(s) Annual Payroll Tax Return (DE 3HW) with a payment for the total payroll taxes due.

Submit forms online using e-Services for Business at www.edd.ca.gov/e-Services_for_Business.

Sample forms are provided on pages 8 and 18.

NOTE:

- If you are approved as an annual household employer, but submit a tax return and payment(s) quarterly, your account will be converted to a quarterly household employer account. In order to revert back to an annual household employer, you will need to submit an Employer of Household Worker Election Notice (DE 89).

- If you are an annual household employer and your total accumulated wages exceed $20,000 during the calendar year, you must contact the EDD immediately to change your filing status to a quarterly household employer. Refer to page 24 for additional information.

**Employer of Household Worker Election Notice (DE 89)**

Overview

Household employers who pay $20,000 or less in wages per year and are current on their reporting and payments can use the DE 89 to elect to pay California payroll taxes annually instead of quarterly. If approved, the election is effective the first day of the calendar year in which the election is filed. If you pay more than $20,000 in accumulated wages in a year, the election will be terminated, and you will be required to file and pay all payroll taxes owed for the year at the end of that calendar quarter.

The DE 89 is available online at www.edd.ca.gov/pdf_pub_ctr/de89.pdf, or by contacting the Taxpayer Assistance Center at 1-888-745-3886.

California law allows certain employers of household workers the option to pay California employment taxes for their household employees annually instead of quarterly. Information on wages paid to employees must still be reported on a quarterly basis. To be eligible to elect this option, an employer must:

- Be registered with the Employment Development Department (EDD) as an employer of household workers.
- Have no delinquent taxes or returns due to the EDD.
- Intend to pay $20,000 or less in wages in a calendar year to household employees. (The sum of all subject wages, cash or noncash, paid to all employees must be no more than $20,000 per year.)

To elect this tax payment option, complete the election notice at the bottom of this document and return it to the address indicated below. If approved, you will be notified in writing. Once approved, the election is effective the first day of the calendar year, January 1, in which the election is filed.

As an annual payer, you will file the quarterly Employer of Household Worker(s) Quarterly Report of Wages and Withholdings, DE 3BH, and the annual Employer of Household Worker(s) Annual Payroll Tax Return, DE 3HW.

**Until the EDD responds to your request**, please continue to file the Quarterly Contribution Return and Report of Wages, DE 9, and the Quarterly Contribution Return and Report of Wages (Continuation), DE 9C, along with your Payroll Tax Deposit, DE 88.

You can submit employment tax returns, wage reports, and payroll tax deposits electronically using e-Services for Business at [www.edd.ca.gov/e-Services_for_Business](http://www.edd.ca.gov/e-Services_for_Business) to comply with the e-file and e-pay mandate. For more information on this mandate, visit [www.edd.ca.gov/EfileMandate](http://www.edd.ca.gov/EfileMandate).

Please note, if you pay more than $20,000 in wages in any given year, the annual payer election will be terminated, your account will revert back to a quarterly payer, and you will be required to file and pay all payroll taxes owed for the year at the end of every calendar quarter.

If you have any questions or need assistance, call the Taxpayer Assistance Center toll-free at 1-888-745-3886 or TTY 800-547-9565, or visit the EDD website at [www.edd.ca.gov](http://www.edd.ca.gov) to view the Household Employer's Guide, DE 8829.

**EMPLOYER OF HOUSEHOLD WORKER ELECTION NOTICE**

I am an employer of household workers and wish to elect to pay California employment taxes annually. I intend to pay no more than $20,000 per year in wages to my workers. I understand that if I pay more than $20,000 during the year, the election will be terminated and I will be required to file and pay all payroll taxes owed for the year at the end of that calendar quarter. I will also be required to file quarterly tax returns with payment for the remainder of the year. I will then need to file a new election to be eligible for this program in the future.

Household employers who pay less than $20,000 in wages per year and elect to pay taxes annually use the DE 3BHW to report employee quarterly wages subject to Unemployment Insurance (UI), Employment Training Tax (ETT), State Disability Insurance (SDI) taxes, and Personal Income Tax (PIT) wages. If PIT is withheld, that amount is also reported on this form. **Even though taxes are paid just once a year, wages must be reported each quarter by state law.** For any quarter that you do not have wages, you must still file the report. Refer to page 24 for your filing requirements if you stop employing people to work in your home and do not intend to hire anyone in the future.

Employer Paid Taxes for Employees

If you pay the State Disability Insurance (SDI) tax without deducting it from your employees' wages, the amount of the SDI you paid is considered an increase in the employees' wages and should be included in subject wages for Unemployment Insurance (UI), Employment Training Tax (ETT), and State Disability Insurance (SDI) purposes.

If you pay Social Security and/or Medicare without deducting them from your employees' wages, the amount you paid is not considered an increase in the employees' wages and should not be included in subject wages for UI, ETT, or SDI purposes.

If you and your employee have agreed to withhold PIT, the amount of Social Security, Medicare, or SDI that you paid without deducting from the employee's wages should be included in PIT wages and used to calculate the PIT withholding amount.

For assistance in calculating subject wages and PIT wages under these circumstances, refer to Information Sheet: Social Security/Medicare/State Disability Insurance/Federal Income Taxes Paid by an Employer (DE 231Q). The DE 231Q is available online at www.edd.ca.gov/pdf_pubCtr/de231q.pdf, or contact the Taxpayer Assistance Center at 1-888-745-3886.

No Longer Paying Wages

If you are an annual household employer and stop employing people to work in your home and do not intend to hire anyone in the future, you will need to submit your final Employer of Household Worker(s) Annual Payroll Tax Return (DE 3HW) with a payment for the total payroll taxes due and an Employer of Household Worker(s) Quarterly Report of Wages and Withholdings (DE 3BHW), for the quarter within 10 days of closing your business, regardless of the normal due date. If you plan to employ people to work in your home in the future, but do not have payroll this quarter, file a DE 3BHW indicating you do not have payroll to report. If you have an approved e-file and e-pay mandate waiver and file by paper, mark “No Payroll This Quarter (Item B) on the DE 3BHW. These reports must be filed even if no wages were paid in the quarter. Contact the Taxpayer Assistance Center at 1-888-745-3886 for assistance.

Employers may close their employer payroll tax account online using e-Services for Business at www.edd.ca.gov/e-Services_for_Business.

When to Change From an Annual Household Employer to a Quarterly Household Employer

If your total accumulated wages exceed $20,000 during the year, you must notify the EDD immediately. Contact the Taxpayer Assistance Center at 1-888-745-3886 and an EDD representative will assist you in changing to a quarterly household employer.

As a quarterly household employer, you will no longer prepare a DE 3HW or a DE 3BHW. Each quarter, you will complete a Quarterly Contribution Return and Report of Wages (DE 9) and a Quarterly Contribution Return and Report of Wages (Continuation) (DE 9C), and submit a Payroll Tax Deposit (DE 88) payment to the EDD at least quarterly. If you are required to change to a quarterly household employer mid-year, you must electronically submit a DE 3HW and DE 3BHW to cover the quarters you were an annual household employer and a DE 9 and DE 9C for the quarters you were a quarterly household employer. In the following years, you will no longer submit a DE 3HW or a DE 3BHW.

For an explanation of the responsibilities of a quarterly household employer, please refer to the “Quarterly Household Employers” section of this guide, beginning on page 25.
QUARTERLY HOUSEHOLD EMPLOYERS

Overview

If your total annual accumulated wages (both cash and noncash) are more than $20,000 or if you do not elect to become an annual household employer, you must file wage reports quarterly and pay taxes at least quarterly.

- *Quarterly Contribution Return and Report of Wages (DE 9).*
- *Quarterly Contribution Return and Report of Wages (Continuation) (DE 9C).*
- *Payroll Tax Deposit (DE 88).*

How to Calculate Taxable Wages

Unemployment Insurance (UI) tax and Employment Training Tax (ETT) are calculated up to the UI taxable wage limit of each employee’s wages per year and are paid by the employer. State Disability Insurance (SDI) tax is calculated up to the SDI taxable wage limit of each employee’s wages in 2019 and is withheld from the employee’s wages.

NOTE: Examples were created using the 2018 UI taxable wage limit of $7,000 and SDI taxable wage limit of $114,967.

Example: An employer has two employees, Jane and John (for illustrative purposes only).

In the first quarter, Jane is paid $10,000 and John is paid $6,000. The employer pays UI tax and ETT taxes on $7,000 of Jane’s wages and all of John’s wages. The employer will not pay UI and ETT taxes for Jane for the remainder of the year since she has reached the UI taxable wage limit. SDI is withheld from both employees’ total wages.

### First Quarter

</tbody>
</table>

In the second quarter, Jane is paid $35,000 and John is paid $500. The employer pays UI and ETT on John’s total wages since the UI taxable wage limit has not been met. The employer withholds SDI from both employees’ total wages since neither has reached the SDI taxable wage limit.

### Second Quarter

</tbody>

In the third quarter, Jane is paid $35,000 and John is paid $8,000. The employer pays UI and ETT on $500 of John’s wages; he has now reached the UI taxable wage limit. The employer withholds SDI from both employees’ total wages since neither has reached the SDI taxable wage limit.

In the fourth quarter, Jane is paid $37,000 and John is paid $15,000. The employer only withholds SDI taxes on $34,967 of Jane’s wages since she reached the SDI limit. The employer withholds SDI from John’s total wages since he was not paid more than the SDI taxable wage limit in the calendar year.

How to Compute

State Disability Insurance (SDI) Withholding

The SDI tax rate (which includes Disability Insurance and Paid Family Leave) for calendar year 2019 is available on the inside cover. The SDI tax is withheld from all cash and noncash wages paid to each employee in 2019 up to the SDI taxable wage limit. Noncash wages include meals and lodging (refer to “Values of Meals and Lodging” tables on page 11). Refer to the NOTE below if you do not withhold SDI from your employees’ wages.

If SDI tax is withheld from your employees’ wages, a Payroll Tax Deposit (DE 88) must be submitted to the EDD at least once each quarter and must be received by the dates listed in the table on page 32. If you withhold more than $500 in Personal Income Tax (PIT) from your employees during a quarter, refer to the California Deposit Requirement table available online at www.edd.ca.gov/payroll_taxes/timely_payroll_tax_deposits.htm or contact the Taxpayer Assistance Center at 1-888-745-3886 to determine when to submit your SDI and PIT payment to the EDD.

Example: Total SDI taxable wages for the quarter are $13,000 (for illustrative purposes only). Examples were created using the 2018 rates. Refer to the inside cover for the 2019 rates.

\[
\begin{align*}
\text{SDI Taxable Wages} & \quad \$13,000 \\
\times \quad \text{SDI Tax Rate} & \quad \times 0.01 \\
\text{SDI Taxes Due} & \quad $130 \text{ (Enter this amount in Box C of the DE 88)}
\end{align*}
\]

NOTE:

1. If, after paying $750 in cash wages in one or more quarters in a calendar year, you begin paying your employees less than $750 in the following quarters, you must continue withholding SDI taxes from your employees’ wages through December of the following year. Once you exceed the threshold on wages, you continue to be subject through the following year.

2. If you pay the SDI tax without deducting it from your employees’ wages, the amount of SDI you paid is considered an increase in the employees’ wages and must be used to calculate Unemployment Insurance (UI), Employment Training Tax (ETT), and SDI withholding. The additional amount must also be included as PIT wages and used to calculate the PIT withholding amount if you and any of your employees have agreed to withhold PIT.

If you pay Social Security and/or Medicare taxes without deducting them from your employees’ wages, these payments are not considered an increase in the employees’ wages for UI, ETT, and SDI but are an increase in PIT wages that must be used to calculate the PIT withholding amount.

Assistance in calculating subject wages and PIT wages under these circumstances is available online. Refer to Information Sheet: Social Security/Medicare/State Disability Insurance/Federal Income Taxes Paid by an Employer (DE 231Q) at www.edd.ca.gov/pdf_pub_ctr/de231q.pdf or contact the Taxpayer Assistance Center at 1-888-745-3886.
How to Compute

Unemployment Insurance (UI) Tax and Employment Training Tax (ETT)

If you pay cash and noncash wages of $1,000 or more in a calendar quarter to your household employees, in addition to State Disability Insurance (SDI) withholding, you must pay UI tax and ETT at the following rates:

- The UI tax rate for new employers or those newly subject to UI is 3.4 percent (.034). Your tax rate will be given to you when you register with the EDD or become subject to UI. Your tax rates (UI, ETT, and SDI) are updated once each year with a Notice of Contribution Rates and Statement of UI Reserve Account (DE 2088) and mailed to you in December, showing the rates for the upcoming year. The UI tax is paid on cash and noncash wages paid to each employee in 2019 up to the UI taxable wage limit of $7,000. Refer to the inside cover for the 2019 UI taxable wage limit. Noncash wages include meals and lodging. Refer to “Values of Meals and Lodging” on page 11.

- The ETT rate is set by law at 0.1 percent (.001) of your UI taxable wages. However, if you have a negative UI reserve account balance on June 30, you will not be required to pay ETT the following calendar year. The annual DE 2088 will show whether your rate is zero (0) or 0.1 percent (.001).

Example: You have two employees and your total UI taxable wages for the quarter are $12,000 (for illustrative purposes only). The UI tax rate is 3.4 percent (.034). The ETT rate is 0.1 percent (.001). Examples were created using standard starting rates, your UI rate may differ.

\[
\begin{align*}
\text{UI Taxable Wages} & \quad \text{\$12,000} \\
\times \quad \text{UI Tax Rate} & \quad x \quad 0.034 \\
\text{UI Taxes Due} & \quad \text{\$ 408 (Enter this amount for UI deposit)} \\
\text{UI Taxable Wages} & \quad \text{\$12,000} \\
\times \quad \text{ETT Rate} & \quad x \quad 0.001 \\
\text{ETT Due} & \quad \text{\$ 12 (Enter this amount for ETT deposit)}
\end{align*}
\]

The UI tax and ETT amounts are paid by the employer and are not withheld from employees’ wages.

Your payroll taxes and a Payroll Tax Deposit (DE 88) must be submitted electronically to the EDD each quarter.

If you cannot pay all or part of your taxes on time, you must still file the DE 9 and DE 9C. Penalty and interest will be charged on each late payroll tax payment and report/return.

**NOTE:**

- When your DE 9 and DE 9C are electronically submitted to the EDD, the submission date is used to determine if your returns are timely.

- For any quarter that you do not have wages to report, you are required to file a DE 9 and DE 9C and indicate you have no payroll to report when electronically submitting the forms through e-Services for Business. If you have any questions, contact the Taxpayer Assistance Center at 1-888-745-3886.

- As of January 1, 2018, employers must electronically submit employment tax returns, wage reports, and payroll tax deposits to the EDD. Refer to page 14 for information on the e-file and e-pay mandate and related noncompliance penalties.
### Correcting Previously Submitted Payroll Tax Deposit (DE 88)

Deposits can be corrected online through e-Services for Business at [www.edd.ca.gov/e-Services_for_Business](http://www.edd.ca.gov/e-Services_for_Business) even if the deposit was made using another electronic payment method or a paper DE 88 coupon.

The following tables clarify when to notify the EDD of adjustments and how to make them.

When *written permission* is obtained from an employee, you are authorized to adjust any overwithheld or underwithheld California PIT from the employee if the adjustment is made within the same calendar year and before the IRS *Wage and Tax Statement* (Form W-2) is issued.

Overwithheld SDI and/or PIT must be credited or refunded to your employee *before* you can take a credit or receive a refund from the EDD. You should obtain a receipt from the employee whenever a credit adjustment or repayment of overwitheld tax is made.

**NOTE:** A claim for credit or refund must be filed within three years of the delinquent date for the quarter being adjusted.

No Longer Paying Wages

If you stop employing people to work in your home and do not intend to hire anyone in the future, you will need to submit your final Quarterly Contribution Return and Report of Wages (DE 9), a Quarterly Contribution Return and Report of Wages (Continuation) (DE 9C), and Payroll Tax Deposit (DE 88) and close your employer payroll tax account within 10 days of closing your business, regardless of the normal due date. Close your employer payroll tax account online using e-Services for Business at www.edd.ca.gov/e-Services_for_Business. If you plan to employ people to work in your home in the future, but do not have payroll this quarter, file a DE 9 and DE 9C indicating you do not have payroll to report. If you have an approved e-file and e-pay mandate waiver and file by paper, select “No Wages Paid This Quarter” on the DE 9 and “No Payroll” on the DE 9C. These reports must be filed even if no wages were paid in the quarter. Contact the Taxpayer Assistance Center at 1-888-745-3886 for assistance.

Household employers may close their employer payroll tax account online using e-Services for Business and, if you resume paying wages in excess of $750 in a calendar quarter, you may also request to reopen your employer payroll tax account. Visit www.edd.ca.gov/e-Services_for_Business.

For the latest news and helpful information, refer to the online quarterly California Employer Newsletter at www.edd.ca.gov/payroll_taxes/california_employer_newsletter.htm.
REPORTING NEW EMPLOYEES

All employers are required by law to report all newly hired or rehired employees to the New Employee Registry (NER) within 20 days of their start-of-work date, which is the first day services were performed for wages.

- **NEWLY HIRED** employees are those individuals who have not previously been included on your payroll.
- **REHIRED** employees are those individuals who were previously included on your payroll, left your employment, and were rehired after a separation of at least 60 consecutive days.

The NER assists California’s Department of Child Support Services and the Department of Justice in locating parents to collect delinquent child support payments. Employers must also report the actual start-of-work date (not the date hired) for each newly hired employee so that the NER data can be cross-matched to the Unemployment Insurance (UI) benefit file. This will result in the early detection and prevention of UI benefit overpayments.

**Filing Options for Reporting New or Rehired Employees**

The following options are available to report new or rehired employees:

1. File online at [www.edd.ca.gov/e-Services_for_Business](http://www.edd.ca.gov/e-Services_for_Business). It’s fast, easy, and secure.
2. Download the *Report of New Employee(s)* (DE 34) form online at [www.edd.ca.gov/pdf_pub_ctr/de34.pdf](http://www.edd.ca.gov/pdf_pub_ctr/de34.pdf).
3. Order DE 34 forms using our online order form at [www.edd.ca.gov/forms](http://www.edd.ca.gov/forms).

**When Due:** You must report all newly hired employees (refer to “Who Are Household Employees?” on page 4) within 20 days of the start-of-work date, which is the first day of work. Any employee that is rehired or returns to work after a separation of at least 60 consecutive days must also be reported within the 20 days.

The following information must be included when reporting new employees:

<table>
<thead>
<tr>
<th>Employer Information</th>
<th>Employee Information</th>
</tr>
</thead>
<tbody>
<tr>
<td>• EDD eight-digit employer payroll tax account number (if applicable)</td>
<td>• First name, middle initial, and last name</td>

<td>• Business address</td>
<td>• Start-of-work date</td>
</tr>
<tr>
<td>• Contact person and phone number</td>
<td></td>
</tr>
</tbody>
</table>

A sample DE 34 is available on page 40.

**Filing an Informal Report**

If you are not able to obtain a DE 34 by the due date, file an informal report or a copy of the Employee’s Withholding Allowance Certification (Form W-4) to avoid penalty and interest charges. Your informal report should include all the information listed in the above table.

Mail or fax your new employee information to:

**Employment Development Department**

**Document Management Group, MIC 96**

**PO Box 997016**

**West Sacramento, CA 95799-7016**

**Fax:** 1-916-319-4400

**NOTE:** If the people who work in your home are independent contractors, you do not need to report them to the EDD (refer to “Who Are Household Employees?” on page 4). The requirement for businesses and government entities to report independent contractors does not apply to household employers.

If you are not sure if the people who work in your home are employees or independent contractors, contact the Taxpayer Assistance Center at 1-888-745-3886 for assistance.

FEDERAL WAGE AND TAX STATEMENT (FORM W-2)

As an employer, you are required to prepare a federal Wage and Tax Statement (Form W-2) for each of your employees. You must provide your employees with their 2019 Form W-2 by January 31, 2020.* Prepare the Form W-2 on the federal/state four-part paper form.

If you need information on Form W-2 reporting requirements, refer to the Internal Revenue Service (IRS) Employer’s Tax Guide (Publication 15, Circular E). For instructions on completing Form W-2, refer to the IRS publication 2019 General Instructions for Forms W-2 and W-3 available online at the IRS website at www.irs.gov or contact the IRS at 1-800-829-3676.

In addition to the federal information required, you must include California Personal Income Tax (PIT) wages, PIT withheld, and State Disability Insurance (SDI) withheld in the following Form W-2 boxes:

<table>
<thead>
<tr>
<th>Box</th>
<th>Enter</th>
</tr>
</thead>
<tbody>
<tr>

</tr>
<tr>
<td>Box 17 (State income tax)</td>
<td>California PIT withheld (if any)</td>
</tr>
<tr>
<td>Box 19 (Local income tax)</td>
<td>The abbreviation “CASDI” and SDI withheld</td>
</tr>
</tbody>
</table>

NOTE:
- If Box 19 has local taxes, use Box 14, Other. If no boxes are available, you are required to provide your employees with a separate written statement containing:
  - Name of household employer, address, federal employer identification number (FEIN), and the EDD eight-digit employer payroll tax account numbers.
  - The employee’s name, address, and Social Security number.
  - The amount of SDI withheld and/or paid directly by you.
- If the wages were not subject to SDI, show “CASDI 0” (zero).
- If you paid SDI taxes without withholding the SDI from the employee’s wages, you should show the SDI taxes as if they were withheld and increase the amount you report according to the formula shown on the Information Sheet: Social Security/Medicare/State Disability Insurance/Federal Income Taxes Paid by an Employer (DE 231Q). The DE 231Q is available online at www.edd.ca.gov/pdf_pub_ctr/de231q.pdf.

Generally, the amount reported as California PIT wages on Form W-2 in Box 16 is the same as the federal wages (Box 1).

If you discover an error on a previously issued Form W-2, refer to the IRS publication 2018 General Instructions for Forms W-2 and W-3 for instructions on how to complete an IRS Corrected Wage and Tax Statement (Form W-2C).

Send Forms W-2 and Forms W-2C to your employees and the Social Security Administration. Do not send the “state” copies of Forms W-2 and Forms W-2C to the State of California (the EDD or the Franchise Tax Board).

* Employers failing to provide a Form W-2 to each employee, or who furnish a false or fraudulent statement, are subject to a penalty of fifty dollars ($50) for each such failure as imposed pursuant to section 13052 of the California Unemployment Insurance Code (CUIC). Employers may also be subject to an additional penalty for failure to file informational returns (Form W-2 or Form 1099-MISC) for misclassified employees as provided pursuant to section 13052.5 of the CUIC. The amount of the penalty is determined based upon the unreported remuneration for personal services multiplied by the maximum rate as provided pursuant to section 17041 of the Revenue and Taxation Code. Contact the EDD Taxpayer Assistance Center at 1-888-745-3886 for additional information.
Earned Income Tax Credit Information Act

You may be eligible to receive the California Earned Income Tax Credit (California EITC) starting with the calendar year 2015 tax year. The California EITC is a refundable state income tax credit for low-income working individuals and families. The California EITC is treated in the same manner as the Federal EITC and generally will not be used to determine eligibility for welfare benefits under California law. To claim the California EITC, even if you do not owe California taxes, you must file a California income tax return and complete and attach the California Earned Income Tax Credit form (Form 3514). For information on the availability of the credit, eligibility requirements, how to obtain the necessary California forms, and get help filing, contact the Franchise Tax Board at 1-800-852-5711 or visit their website at www.ftb.ca.gov/individuals/faq/net/900.shtml.

Effective January 1, 2008, all employers are required to notify all of their employees of the federal Earned Income Tax Credit (EITC).

Employers who are subject to and required to provide Unemployment Insurance to their employees must provide EITC notification to the employee by either handing it directly to the employee or mailing it to the employee’s last known address. Posting of this information on an employee bulletin board will not satisfy the notification requirement.

The notification shall be provided at the same time or within one week, before or after, the employer provides the employee with an annual wage summary, including, but not limited to, a Form W-2 or a Form 1099. The notice shall include instructions on how to obtain any notices available from the Internal Revenue Service (IRS) for this purpose, including, but not limited to, the IRS Notice 797, or any successor notice or form, or any notice created by you, as long as it contains substantially the same language as the notice below.

“Based on your annual earnings, you may be eligible to receive the earned income tax credit from the federal government. The earned income tax credit is a refundable federal income tax credit for low-income working individuals and families. The earned income tax credit has no effect on certain welfare benefits. In most cases, earned income tax credit payments will not be used to determine eligibility for Medicaid, supplemental security income, food stamps, low-income housing, or most temporary assistance for needy families’ payments. Even if you do not owe federal taxes, you must file a tax return to receive the earned income tax credit. Be sure to fill out the earned income tax credit form in the federal income tax return booklet. For information regarding your eligibility to receive the earned income tax credit, including information on how to obtain the IRS Notice 797, or any other necessary forms and instructions, contact the Internal Revenue Service by calling 1-800-829-3676 or through its website at www.irs.gov.”

WHAT PAYROLL RECORDS MUST BE KEPT?

Employers are required to keep payroll records for at least four years. If you believe that you are not a subject employer or your employees are exempt, state law requires that you maintain records of payments made to people who provide household services for at least eight years in case of an employment tax audit.

Your records must provide a true and accurate account of all workers (employed, no longer employed, or on a leave of absence, and independent contractors) and all payments made. Records must include the following information for each worker:

- **Worker’s:**
  - Full name (first name, middle initial, and last name).
  - Social Security number.
- **Date hired, rehired, or returned to work after a temporary layoff.**
- **Last date services were performed.**
- **Place of work.**
- **Money paid:**
  - Dates and amounts of payment.
  - Pay period covered.
  - Cash or cash value of in-kind wages (such as meals, lodging, bonuses, and gifts). (Refer to “Values of Meals and Lodging” on page 11.)
- **The amounts withheld from employee wages.** (NOTE: You may be required to make withholding deposits. Refer to “Withholding Deposits” on page 28.)
- **Disbursement records showing payments to workers.**
- **Other information necessary to determine payments to workers.**

You may use any payroll record that provides the information listed above. An Employee Earnings Record sample is provided on page 44.

If you have any questions about the records you must keep, refer to Information Sheet: Employment Tax Audit Process (DE 231TA). The DE 231TA is available online at [www.edd.ca.gov/pdf_pub_ctr/de231ta.pdf](http://www.edd.ca.gov/pdf_pub_ctr/de231ta.pdf) or by contacting the Taxpayer Assistance Center at 1-888-745-3886.

Employer’s Name: ____________________________________________

Your Reserve Account

If you pay $1,000 or more in cash wages to household employees during a calendar quarter, you are required to pay Unemployment Insurance (UI) tax and Employment Training Tax (ETT) on each employee’s wages up to the UI taxable wage limit, each calendar year. Your UI reserve account is a record of the UI taxes you have paid (credits) and the UI benefits that the EDD has paid (charges) to your former employees who were found eligible to receive UI benefits or who qualified for reduced UI benefits when working less than full-time for you. Your UI reserve account is a “paper” account for recordkeeping purposes and has no cash value. The difference between the credits and charges is the reserve account balance, which may be positive or negative. Your account balance is used only to determine your annual UI tax rate. If you have a negative reserve account balance as of June 30, you will not have to pay ETT for the following calendar year.

Notices

When your former employee (“claimant”) applies for UI benefits, the last employer reported by the claimant will receive a Notice of Unemployment Insurance Claim Filed (DE 1101CZ or DE 1101ER). Only the last employer of record will receive this notice to advise them that the claimant has filed a UI claim, and it includes the reason the claimant stated for no longer working.

If you have any information that would affect the claimant’s eligibility for UI benefits, please complete the form and return it to the EDD within 10 days of the date the notice was mailed to you. If you believe that your UI reserve account should not be charged for the benefits, it is important that you provide information by the required deadline explaining why the claimant was terminated or the reasons the claimant gave for voluntarily quitting. The DE 1101CZ and DE 1101ER include instructions that explain how to complete the forms. Your information is needed to gather relevant facts that will assist the EDD in determining if the claimant is eligible to receive UI benefits. Failure to respond timely may result in an increase to your UI tax rate.

For added convenience, employers and third party administrators can elect to electronically receive and respond to the DE 1101CZ through the State Information Data Exchange System (SIDES). To learn more or to subscribe to SIDES, visit www.edd.ca.gov/sides.

If you respond to the notice within the legally required 10 days of the notice date and provide information about why you think the claimant should not be eligible for UI benefits, the EDD will send you a Notice of Determination and/or Ruling (DE 1080EZ). The DE 1080EZ advises you whether or not the claimant is eligible for UI benefits and if your UI reserve account will be charged for UI benefits if the claimant is found eligible based on the reason for separation from your employment. If you fail to respond to the DE 1101CZ or DE 1101ER, or respond untimely, you are not entitled to a determination and/or a ruling. However, if you respond untimely and provide the reason you are submitting the eligibility information untimely, the EDD will determine if you had good cause for not submitting your response timely. If there is a finding of good cause, you will be entitled to a determination and/or ruling. Also, if you respond untimely with eligibility information, the EDD will conduct a determination of eligibility for UI benefits with the claimant regardless of whether you are entitled to a notice of determination and/or a ruling.

If the EDD finds that a claimant is eligible to receive UI benefits, a Notice of Wages Used for Unemployment Insurance (UI) Claim (DE 1545) is mailed to all base-period employers after the first benefit payment is sent to the claimant. If you are a base-period employer, you will receive a DE 1545. The DE 1545 will inform you of the wages used to establish the UI claim and the amount of potential charges to your UI reserve account. All or part of the benefits paid to the claimant may be charged to your UI reserve account.

If you believe that your UI reserve account should not be charged for the benefits, it is important that you complete the form and return it by the required deadline to the EDD as indicated on the form. The DE 1545 includes instructions on how to complete the form. You will need to explain why your account should not be charged for the UI benefits. If you previously responded to a DE 1101CZ or DE 1101ER for the same employee concerning the same separation or other issue, you do not need to return the DE 1545.
However, if you have new information that may affect the claimant’s eligibility for Unemployment Insurance (UI) benefits then you must report the new information to the EDD. Please complete the DE 1545 timely by returning it within 15 calendar days from the mail date of the notice. If the wage information is incorrect, you must provide documentation to support the correction, such as a copy of the Quarterly Contribution Return and Report of Wages (Continuation) (DE 9C) or Quarterly Contribution and Wage Adjustment Form (DE 9ADJ) within 30 days from the mail date of the notice. When a claimant is approved for the California Training Benefits (CTB) program, a Notice of Potential Increased Liability for Training Extension Benefits (DE 1545TE) is mailed to all base-period employers. This notice will inform you of the maximum amount of potential benefits payable, including training extension benefits and the amount of potential charges to your UI reserve account. If you believe that your UI reserve account should not be charged for the training benefits, your protest must be mailed by the date indicated on the form. The response should provide information explaining why the claimant should not be eligible for CTB under the California Unemployment Insurance Code section cited. If the DE 1545TE indicates that you previously received a favorable ruling, your account will not be charged and no response will be necessary.

To maintain the integrity of the UI program, the EDD investigates cases of potential imposter fraud and identity theft. As part of our investigation, you may receive a Request for Additional Information (DE 1326ER) asking you to validate information provided to us by an individual who has filed a claim for UI benefits. The DE 1326ER is mailed to the last employer and base-period employers to request additional identifying information to validate the identity of the individual. Your prompt response to the DE 1326ER will protect your employer payroll tax account from charges if the determination of eligibility results in a disqualification, and it will assist the EDD in maintaining the integrity of the UI Fund.

Additional information on protecting your employer payroll tax account from fraudulent UI claims, protecting your employees, and fighting imposter fraud can be found online at www.edd.ca.gov/unemployment/fraud_prevention.htm.

NOTE: You should keep copies of all your responses to EDD notices for your records.

**Notices of Determination, Ruling, or Modification**

You will receive a notice from the EDD in response to the timely information reported regarding a claimant’s eligibility for UI benefits on the DE 1101CZ, DE 1101ER, DE 1545, or DE 1545TE. Depending on the specific circumstances involved, you will receive one of the following notices:

<table>
<thead>
<tr>
<th>Notice</th>

</tr>
</thead>
<tbody>
<tr>
<td>DE 1080EZ: • Notice of Determination</td>
<td>Sent to an employer who responds timely to a DE 1101CZ, DE 1101ER, DE 1545, or DE 1545TE, or who submits timely correspondence with claimant eligibility information other than information regarding a voluntary quit or discharge.</td>
</tr>
<tr>
<td>• Notice of Determination/Ruling</td>
<td>Sent to an employer who responds timely to a DE 1101CZ or DE 1101ER with information regarding a voluntary quit or discharge. This notice informs the employer whether or not their reserve account will be charged for UI benefits paid.</td>
</tr>
<tr>
<td>• Notice of Ruling</td>
<td>Sent to an employer who responds timely to a DE 1545 with information regarding separation(s) that occurred within the base period. This notice informs the employer whether or not their reserve account will be charged for UI benefits paid.</td>
</tr>
</tbody>
</table>

DE 1080M: • Notice of Modification

Sent to an employer who previously received a DE 1080EZ stating that the claimant was disqualified from receiving UI benefits. The purpose of this form is to inform the employer that the claimant’s disqualification period has ended and the claimant has met the criteria required to receive UI benefits. This notice does not change the original ruling issued to the employer.
Appeal Rights

You have the right to file an appeal if you do not agree with the EDD determination about:

- A former employee’s eligibility to receive UI benefits.
- Charges made to your UI reserve account due to paid UI benefits.

You must send your written appeal to the EDD within 30 days of the mail date of the *Notice of Determination and/or Ruling* (DE 1080EZ). The EDD will send you an acknowledgment of receipt and registration of your appeal with the phone number for the Office of Appeals hearing the case. The Office of Appeals will schedule a hearing with an Administrative Law Judge (ALJ). Both you and your former employee will be notified of the date, time, and place of the hearing at least 10 days before the hearing date. If you are filing an appeal to a *Notice of Ruling* (DE 1080EZ), the employee is not considered a party to the proceeding and is not notified of the hearing. The ALJ will conduct a hearing and give all interested parties the opportunity to present their evidence. The ALJ will consider the facts presented at the hearing and issue a written decision that is mailed to all concerned parties.

If you do not agree with the ALJ’s decision, you may appeal to the California Unemployment Insurance Appeals Board (CUIAB). The CUIAB reviews appeals to decisions rendered by the ALJ. Both the CUIAB and the ALJs operate impartially and independently of the EDD.

The CUIAB provides the following publications to assist in filing an appeal and preparing for an administrative hearing:

- *Appeals Procedure* (DE 1433)
- *Office of Appeals Tax Hearing Information Pamphlet* (DE 6412)

For copies of these publications, visit the State of California Unemployment Insurance Appeals Board website at [https://www.cuiab.ca.gov/forms.asp](https://www.cuiab.ca.gov/forms.asp) or write to:

Statement of Charges to Reserve Account (DE 428T)

Each September, the annual Statement of Charges to Reserve Account (DE 428T) is mailed to you. This statement notifies you of the Unemployment Insurance (UI) benefit charges and credits to your reserve account from July 1 through June 30 of the previous fiscal year. Charges are itemized and based on the UI benefits paid to your former employees. Charges to your reserve account may increase your UI contribution rate for the next calendar year. It is important to review your statement carefully and respond timely if you do not agree with the charges. You have 60 days from the issue date on your statement to protest, in writing, any charges you believe are incorrect. An extension of up to 60 days may be granted for “good cause” (refer to page 56) if your request is submitted before the protest deadline. When filing your protest, you must include your EDD eight-digit employer payroll tax account number, the claimant’s name, Social Security number, claim date, the dollar amount, and the specific reason for protesting. Protests with missing information will be returned. If you have address changes and/or agent updates, inform the EDD immediately in order to receive your DE 428T timely.

For further information, refer to the Explanation and Instruction Sheet - Statement of Charges to Reserve Account (DE 428T) (DE 428C) included with your DE 428T or contact the Taxpayer Assistance Center at 1-888-745-3886. The DE 428C is also available online at www.edd.ca.gov/pdf_pub_ctr/de428c.pdf.

Notice of Contribution Rates and Statement of UI Reserve Account (DE 2088)

The Unemployment Insurance (UI), Employment Training Tax (ETT), and State Disability Insurance (SDI) tax rates and taxable wage limits may change each year. Each December, the EDD sends you a Notice of Contribution Rates and Statement of UI Reserve Account (DE 2088) to notify you of your tax rates and taxable wage limits for the upcoming year. Your 2019 notice will show the items used to determine your UI rate and the balance in your UI reserve account as of July 31, 2018.

Any item on the DE 2088 can be protested except the ETT and SDI tax rates, which are set by law. Your protest must be filed in writing within 60 days of the issued date shown on the notice. An extension of up to 60 days may be granted for “good cause” (refer to page 56) if your request is submitted before the protest deadline. When filing your protest, you must include your EDD eight-digit employer payroll tax account number, the specific item(s) being protested, and why you are protesting.

Mail your protest to:

Employment Development Department
Rate Management Group, MIC 4
PO Box 826880
Sacramento, CA 94280-0001

For further information, refer to the Explanation of the Notice of Contribution Rates and Statement of UI Reserve Account (DE 2088) for the Period of January 1, 2019, to December 31, 2019 (DE 2088C) included with the DE 2088 or contact the Taxpayer Assistance Center at 1-888-745-3886. The DE 2088C is also available online at www.edd.ca.gov/pdf_pub_ctr/de2088c.pdf.
STATE DISABILITY INSURANCE (SDI)

The State Disability Insurance (SDI) program provides Disability Insurance (DI) and Paid Family Leave (PFL) benefits to eligible workers who need time off of work. The SDI program is state mandated and funded by employee payroll deductions.

Disability Insurance (DI)

DI is a component of the SDI program. DI provides partial wage replacement benefits to eligible California workers who have a loss of wages when they are unable to perform their regular or customary work due to a non-work-related illness or injury, pregnancy, or childbirth.

Paid Family Leave (PFL)

PFL is a component of the SDI program. PFL provides benefits to workers who take time off work to care for a seriously ill child, parent, parent-in-law, grandparent, grandchild, sibling, spouse, or registered domestic partner. Benefits are also available to new parents who need time to bond with a new child through birth, adoption, or foster care placement.

Claim Notices

When a DI claim is filed, the employer(s) reported on the DI claim form will receive a Notice to Employer of Disability Insurance Claim Filed (DE 2503). When a PFL claim is filed, the employer(s) will receive a Notice of Paid Family Leave (PFL) Claim Filed (DE 2503F). You are required to complete and return the DE 2503 or DE 2503F within two working days. You may also submit the DE 2503 electronically through SDI Online at www.edd.ca.gov/disability.

Your Unemployment Insurance reserve account will not be affected when your employees file DI and/or PFL claims. You will not be notified of claimant eligibility for DI/PFL benefits because employees pay for DI and PFL through payroll deductions.

If you have questions about DI, please visit the EDD website at www.edd.ca.gov/disability or contact DI at 1-800-480-3287. If you have questions about PFL, visit the EDD website at www.edd.ca.gov/disability/paid_family_leave.htm or contact PFL at 1-877-238-4373.

SDI Online

SDI Online is an electronic claim filing system available to employers, claimants, physicians/practitioners, and voluntary plan administrators for submission of DI and PFL claim information. Employers can securely submit employee information (e.g. wages earned, last day worked, etc.) for DI claims online. For more information about these online services, visit the EDD website at www.edd.ca.gov/disability.

**Help Us Fight Fraud**

The “underground economy” is a term that refers to those individuals and businesses that deal in cash and/or use other schemes to conceal their activities and their true tax liability from government licensing, regulatory, and taxing agencies. Underground economy is also referred to as tax evasion, tax fraud, cash pay, tax gap, payments under-the-table, and off-the-books. When businesses operate in the underground economy, they gain an unfair competitive advantage over businesses that comply with the law because they do not pay workers’ compensation and state and federal payroll taxes. This causes unfair competition in the marketplace and forces law-abiding businesses to pay higher taxes. To address this, the EDD, in partnership with several other governmental entities, follows up on leads and conducts on-site inspections of businesses throughout the state. To learn more about the EDD Underground Economy Operation (UEO) programs, visit the EDD website at [www.edd.ca.gov/payroll_taxes/underground_economy_operations.htm](http://www.edd.ca.gov/payroll_taxes/underground_economy_operations.htm).

To report businesses that are paying workers undocumented cash payments, failing to carry workers’ compensation insurance, or not complying with labor and licensing laws, please download and complete an *Underground Economy Operations Lead Referral/Complaint Form* (DE 660 in English or DE 660/S in Spanish) available online at [www.edd.ca.gov/pdf_pub_ctr/de660.pdf](http://www.edd.ca.gov/pdf_pub_ctr/de660.pdf). If you have further questions regarding your privacy rights, contact the Tax Information Security Office at 1-916-654-5981.
Account Number
The Employment Development Department (EDD) eight-digit employer payroll tax account number assigned to each registered employer (for example, 000-0000-0). Always refer to your employer payroll tax account number when communicating with the EDD. Omission of your employer payroll tax account number may result in delays in processing payments, reporting documents, and correspondence.

Annual Household Employer
An employer who pays $20,000 or less in wages in a calendar year and has elected to pay taxes annually. The employer submits an Employer of Household Worker(s) Quarterly Report of Wages and Withholding (DE 3BHW) to the EDD quarterly and an Employer of Household Worker(s) Annual Payroll Tax Return (DE 3HW) with payment annually.

Base Period
The base period consists of four calendar quarters of three months each. When a base period begins and which calendar quarters are used depends on what date the claim begins and whether the claim is for Unemployment Insurance or State Disability Insurance. For Unemployment Insurance, there are two types of base periods: the Standard Base Period (see “Base Period, Standard [UI]”) and Alternate Base Period (see “Base Period, Alternate [UI]”). The Alternate Base Period can ONLY be used to file a UI claim when there are not enough wages earned in the Standard Base Period to file a monetarily valid UI claim.

Base Period, Alternate (UI)
The UI Alternate Base Period is the last four completed calendar quarters prior to the beginning date of the claim. The Alternate Base Period can only be used if an individual cannot monetarily establish a valid UI claim using the Standard Base Period.

Base Period Employer
Employers who paid the earnings used to establish a UI claim and calculate a benefit amount.

Base Period, Standard (UI)
The UI Standard Base Period is the first four of the last five completed calendar quarters prior to the beginning date of the claim.

California Unemployment Insurance Code (CUIC)
The laws administering California’s Unemployment Insurance (UI), Employment Training Tax (ETT), State Disability Insurance (SDI), and Personal Income Tax (PIT) programs. The CUIC is available online at http://leginfo.legislature.ca.gov/faces/codes.xhtml.

Cash Wages
Checks, currency, and electronic payments paid to people who work for you.
Claim

An application for Unemployment Insurance (UI), Disability Insurance (DI), or Paid Family Leave (PFL) benefits:

- **UI** – The process that establishes a UI benefit year is called a new claim. The weekly *Continued Claim* (DE 4581) is used by claimants to certify for UI benefits during the benefit year. The EDD has two new methods that unemployed individuals may use to certify for UI benefits. Rather than filling out and submitting a paper DE 4581 by mail, individuals may use EDD Tele-Cert℠ to certify for benefits using the phone or UI Online℠ to certify for UI benefits electronically. After establishing a benefit year, a claimant may interrupt his or her claim for a variety of reasons, for example, the claimant could receive a disqualification, obtain intervening employment, or fail to continue to certify for benefits. The claimant may request to reopen an existing claim with a claim balance by filing an additional or reopened claim during the benefit year.

- **DI** – The application that establishes a DI benefit period is called an initial claim. Subsequent certifications on an active DI claim are called continued claims. For each separate period of disability, a new initial claim must be filed.

- **PFL** – The application that establishes a PFL benefit period is called an initial claim. Subsequent certifications on that claim are called continued claims. For each separate period of family leave, a new initial claim must be filed.

Claimant

A wage earner who files a claim for UI, DI, or PFL benefits.

Contributions

Payroll tax payments for UI and ETT. The CUIC refers to taxes under its provisions as “contributions.” In this guide, “contributions” are generally referred to as “taxes.”

Disability Insurance (DI)

Benefits paid to eligible California workers who have a loss of wages when they are unable to perform their regular or customary work due to a non-work-related illness or injury, pregnancy, or childbirth. DI is a component of the State Disability Insurance (SDI) program and funded through SDI employee payroll withholdings.

Domestic Employee

Same as “Household Employee.”

State Disability Insurance (SDI)

The SDI program provides Disability Insurance (DI) and Paid Family Leave (PFL) benefits to eligible workers who need time off work. DI benefits are paid to eligible California workers who have a loss of wages when they are unable to work due to an illness or injury, pregnancy, or childbirth. PFL benefits are paid to eligible California workers who take time off work to bond with a new child, or care for an ill family member. The SDI program is funded by mandatory payroll withholdings from employee wages.

Subject Employer

An employer who is liable under the rules and regulations of the California Unemployment Insurance Code.

Subject Quarter

Calendar quarter when an employer first meets the requirements for reporting their payroll taxes.

Subject Wages

Subject wages are used to determine Unemployment Insurance (UI), Disability Insurance (DI), and Paid Family Leave (PFL) benefits. DI and PFL are components of SDI. Generally all wages, unless otherwise excluded in the California Unemployment Insurance Code, are considered subject wages, regardless of the UI and SDI taxable wage limits. Refer to inside front cover of this guide for current rates and taxable wage limits.
**Taxable Wage Limit**

The maximum amount of an employee's wages that certain taxes apply to in a calendar year. For example, in 2019, the taxable wage limit for UI and ETT is $7,000. Therefore, an employer's UI and ETT tax rate applies to the first $7,000 paid to each worker during the calendar year. The taxable wage limit for SDI is $118,371. Since the SDI tax rate is (.01), the maximum 2019 SDI tax on any one employee is $1,183.71. There is no limit on the taxability of wages for California Personal Income Tax (PIT) withholding purposes.

**Unemployment Insurance (UI)**

Benefits paid to eligible California workers who are unemployed. Claimant(s) must meet specific eligibility requirements in order to receive benefits, which are funded by employer payroll taxes.

**Wages**

All payments made to people who work for you whether paid by check, cash, electronic debit, or the reasonable cash value of noncash payments, such as meals and lodging.

**Withholding**

Money deducted from your employees' wages for State Disability Insurance (SDI) and California Personal Income Tax (PIT). You must send SDI and PIT withholdings to the EDD at least quarterly, unless you are an annual household employer.
