EMPLOYMENT DEVELOPMENT DEPARTMENT
DEAF AND HARD OF HEARING SERVICES
SOLICITATION FOR PROPOSALS

SECTION 1 – OVERVIEW

A. Purpose

The Employment Development Department (EDD) Workforce Services Branch (WSB) announces the availability of Wagner-Peyser 10 percent Governor’s Discretionary funds of \$2,500,000 for the Deaf and Hard of Hearing (DHH) Program. The purpose of these funds is to provide employment and training services to individuals who are deaf and hard of hearing. These funds will also ensure that services provided to deaf and hard of hearing individuals are at least equal to services received by non-deaf and non-hard of hearing individuals.

This program provides deaf and hard of hearing individuals with enhanced services and training in select America’s Job Center of CaliforniaSM (AJCC) locations throughout California. The program will ensure effective communication and increased service opportunities for deaf and hard of hearing individuals by providing specialized counseling, interpretive services, job placement, follow-up services and advocacy, and specialized training to assist them in becoming job-ready. The program is also designed to assist job-ready deaf and hard of hearing individuals in obtaining and retaining unsubsidized employment. The program also intends that interpretive services be provided to enable these individuals to receive other EDD-related services.

B. Target Population

Proposals must target deaf and hard of hearing individuals who are available for and seeking employment. These jobseekers may also need additional skill enhancement training to become job-ready individuals.

C. Eligible Applicants

Proposals will be accepted from public agencies or private non-profit corporations. Individuals are not eligible to apply. Applicants must clearly demonstrate their ability to provide services to the targeted population. Applicants may submit proposals to provide services for one or multiple sites. Applicants may also submit one proposal to provide services at multiple sites within a targeted geographical area.

D. Program Locations

Pursuant to the *California Unemployment Insurance Code* (CUIC), Section 11004, the EDD must determine the number and location of its offices within the state providing employment services to the deaf and hard of hearing and shall decide which offices shall be served by

grantees. The CUIC also states that the EDD shall give priority to offices where subgrants (contracts) are necessary to prevent or minimize the disruption or discontinuance of employment services to the deaf and hard of hearing in conjunction with the EDD prior to July 1, 1984. In keeping with this requirement, the EDD identified geographical areas where high concentrations of deaf and hard of hearing individuals reside. The EDD currently funds services in the geographical areas listed below and will give priority to programs and services in these areas to prevent and/or minimize disruption in services:

- Fresno
- Los Angeles
- Riverside/Rancho Cucamonga
- Sacramento
- San Diego/Oceanside
- San Francisco/Bay Area
- Santa Ana/Garden Grove

For this solicitation, the grantee will be required to work among other EDD staff located in designated AJCC sites. It is recommended that a minimum of two staff persons be assigned for the specified contracted hours. Grantees providing a reduced staffing level must provide written justification for the reduction.

If an applicant proposes to serve a geographical area not listed above, the proposal must clearly identify the deaf and hard of hearing population and the need for services in that locale and demonstrate why those needs are not currently being met.

E. Funding

Applicants may submit one proposal for one geographical area or for multiple areas in California. The application must follow the proposal instructions. The total program funding available is \$2,500,000 for the period of July 1, 2021 through June 30, 2022. The total funding is contingent upon federal funding being awarded to California and EDD Director approval.

F. Allowable Use of Funds

The use of funds awarded in this SFP is governed by Wagner-Peyser 10 percent Governor's Discretionary fund guidelines, state and federal directives, and the applicable uniform administrative requirements, cost principles, and audit requirements included in the appropriate circulars or rules of the Office of Management and Budget (WIOA Section 184[a][2] and [3]).

In addition, grantees will be responsible for any subsequent charges related to the secure operation of videophones. This includes, but is not limited to, Internet Service Provider,

installing upgraded equipment for expansion, and related functions. Services related to the videophones must continue to be coordinated with the EDD Information Technology Branch staff.

On occasions, deaf and hard of hearing staff may be called on to provide interpreting services for deaf and hard of hearing individuals seeking assistance with matters related to Unemployment Insurance, Disability Insurance, and other services that are available, or being provided by, the EDD and partner agencies located in the AJCC. These clients are not required to be enrolled or have active status in the DHH program. Grant funds may be used to cover these activities.

In the event of an interpreting scheduling conflict or the temporary vacancy of an available deaf and hard of hearing interpreter, grantees may sub-contract with a local reputable interpreting agency. These services will be reimbursed through the grantee's monthly expenditure (invoice) reports. Grantees should allocate a portion of their grant allocation on their proposed budget expense form line item, Interpreting Services. Funds allocated for this expense should not be used to cover long-term or extended DHH interpreting staff vacancies. Grantees are encouraged to negotiate with the interpreting agency to obtain a discounted fee for exclusive and repeat business.

Funds awarded under this SFP cannot be used to purchase real property or to construct buildings.

G. Administrative Cost Limits

A maximum of ten percent of the total project budget will be allowed for administrative costs.

H. Length of Project

The grant period for this award is 12 months, from July 1, 2021 through June 30, 2022. No obligation or commitment of funds will be allowed prior to or beyond the grant period. At the end of the grant period, the EDD may renegotiate the terms of each grant in accordance with allowable increases or decreases in the grantee's costs and grantee's demonstrated ability to provide the specified services. Any grant funds not expended during a grant period must be returned to the state.

SECTION 2 – GRANTEE REQUIREMENTS

A. Grantee Criteria

As required under Section 11003 of the CUIIC, the criteria for choosing grantees shall include, but not be limited to, the following:

- The ability to provide services in a deaf and hard of hearing individual's preferred mode of communication.
- The ability to secure community support, including written endorsements of local officials, employers, Local Workforce Development Areas and organizations for the deaf and hard of hearing.
- The existence of funding from one or more public or private sources.
- Participation of deaf and hard of hearing individuals on the potential grantee's staff and, in the case of a private nonprofit corporation, on the Board of Directors.
- A commitment to the development and maintenance of self-determination for deaf and hard of hearing individuals.

B. Staffing Qualifications

The grantee should provide two staff in designated AJCC sites for the specified contracted hours. Grantees providing a reduced staffing level must provide written justification for the reduction. One staff must be a qualified American Sign Language (ASL) interpreter for the deaf. The level of qualification and professionalism for staff providing sign language interpretation will be determined by the grantee awarded funding to administer the DHH programs co-located within the AJCC network.

A copy of the interpreting staff's valid and current Comprehensive Skills Certification issued by the National Registry of Interpreters for the Deaf (RID), or equivalent California Association of the Deaf (CAD) certification or other certification approved by the EDD, or supporting documents to determine the skill level of the interpreter by the grantees, must be provided to the EDD Central Office Workforce Services Division Program Manager or the AJCC site manager on request.

Effective August 2015, the RID Board of Directors announced a moratorium on credentialing pending the results of the Risk Analysis of the certification program. However, as a result of this extended moratorium, the availability of registered, board certified interpreters seeking and or accepting staff positions has become increasingly limited. These credentialed interpreters are in demand and mostly accept freelance assignments which are compensated at a significant higher pay per hour assignment.

In response to the RID announcement, the EDD added the Educational Interpreter Performance Assessment (EIPA) as an equivalent credential. In lieu of the RID certification or equivalent, an educational interpreter shall have achieved a score of 4.0 or above on the EIPA, the Educational Sign Skills Evaluation-Interpreter and Receptive and must meet the qualification standards for Educational Interpreter Regulations as identified by the California Department of Education as published July 1, 2008.

To address the challenges directly related to the requirement of certified interpreters through a national registry, the EDD has expanded the option to include additional cultures of sign language interpreters and certification that may be considered.

Children of Deaf Adults (CODA) and individuals who have completed or currently near completion of an Interpreting Training Program (ITP) have proven to be great resources for recruiting qualified and professional interpreters. Most CODAs were born into the world of interpreting. Their first language was ASL and their native spoken language was second. By interpreting for deaf parents at an early age, they gained transferrable skills that are beneficial to deaf and hard of hearing individuals.

Grantees awarded funding for the DHH Program will be able to determine if these interpreters will qualify and perform to their satisfaction for the EDD/DHH Program.

The grantee must provide services during normal office hours of 8:00 a.m. through 5:00 p.m., Monday through Friday, excluding Saturdays, Sundays, and state holidays. Hours and days of service must be on a consistent schedule approved by the AJCC site manager. Services beyond the approved hours must be approved before being provided. Overtime pay for salaries will not be approved. On occasion, it may be necessary for staff to provide community services outside of the office. In the event of a planned absence from the office during normal office hours, the DHH staff should inform the AJCC site manager, or their designee, in advance and obtain approval. In the event of unplanned absences, the grantee must notify the AJCC site manager within one hour of the scheduled work time. Scheduled hours of work and absences from the designated office are subject to the AJCC site manager's approval.

The grantee is encouraged to develop dialogue with the EDD site manager at each AJCC location where deaf and hard of hearing staff will be co-located with EDD staff. The purpose is to foster relationships and determine how best to meet the office protocols, safety/evacuation procedures, and standards set forth for EDD and/or partnering staff.

C. Required Services

As required under Section 11002 of the CUIC, employment services for the deaf and hard of hearing shall include, but are not limited to, the following:

- Complete communication services for all preparatory, job placement, and follow-up activities. The communication services shall include interpreter services by a professional interpreter for the deaf and hard of hearing individuals possessing the comprehensive skills certification of the National Registry of Interpreters for the Deaf (or the equivalent), telecommunications, and, when necessary, training in communication skills.
- Advocacy to assure that deaf and hard of hearing individuals receive equal access to public and private employment services.
- Job development and job placement.
- Employment counseling, including peer counseling by deaf and hard of hearing individuals.
- Follow-up counseling and problem solving after placement.

SECTION 7 – AWARD AND CONTRACTING PROCESS

A. Proposal Evaluation and Recommendation for Funding

Proposals will be scored and ranked by teams of independent reviewers based on the criteria set forth in this SFP. The scoring value of each section of the SFP is as follows:

Criteria	Points
Statement of Need	10
Target Group	10
Planned Approach	15
Goals and Objectives	10
Local Collaboration	15
Resource Utilization	10
Statement of Capabilities	20
Budget Summary Plan	10
Total Possible Points	100

The ranked scores will serve as the primary basis for making recommendations for funding in conjunction with other factors such as geographic distribution of funds, uniqueness, and innovative aspects of the proposal. Only those proposals deemed to be meritorious and in the best interests of the EDD will be recommended for funding. The EDD reserves the right to conduct on-site reviews of awardees' business facility prior to making final funding recommendations.

B. Notification of Funding

Following the selection of proposals to be funded, awards will be announced on the EDD website. Only selected solicitors will be notified of the funding decisions. The EDD expects that the funding awards will be announced no later than June 18, 2021.

C. Contracting

The EDD staff will contact the awardees to finalize contract details. In some cases, EDD may request that the contract incorporate changes to the original project proposals. After the negotiations, if any, the EDD will mail the subgrant agreement (contract) to the awardees for signature. The EDD expects the contract negotiations to begin immediately following awards announcement in time to allow for a project start date of July 1, 2021.

Awardees are advised to consider whether official action by a County Board of Supervisors, City Council, or other similar decision making body will be necessary before agreeing to accept funds awarded under this SFP. The time needed for such official action will affect the grantee's ability to meet the project start date.

All grantees must comply with the subgrant General Provisions and Standards of Conduct.

SECTION 8 – APPEAL PROCESS

A proposal will be disqualified for not meeting the minimum requirements. An appeal of the disqualification decision may be filed. The EDD will inform applicants no later than May 21, 2021 by email. There is no appeal process for not meeting the proposal submission deadline. Final funding decisions cannot be appealed. The minimum requirements, which are listed in Section 6, Part A of this SFP, are those conditions that must be met in order for the proposal to be forwarded for evaluation and scoring (refer to Section 6, Required Proposal Content).

Appeals must be received by May 28, 2021 via email to wpsfp@edd.ca.gov. The review will be limited to the information provided in writing.

To be considered for review, the appeal must contain the following information:

- The full name, address, and telephone number of the appealing party.

- A brief statement of the reasons for appeal, including citations to the SFP and any other pertinent documents.
- A statement of the actions sought.
- Original signature of the authorized signatory authority of the organization.

The EDD will respond to each appeal by June 4, 2021. **The review will be limited to determining whether the proposal met the minimum criteria of the SFP.**

Confidential and sensitive information are not open to the public and require special precautions to protect it from loss and unauthorized use, disclosure, modification, or destruction. The confidential information obtained under this agreement remains the property of the EDD. Subgrantee agrees to the following security and confidentiality requirements:

Administrative Safeguards

- A. Adopt policies and procedures to ensure that information obtained from the EDD is used solely as provided for in this agreement.

Client Workstations (Third-Party Software)

As indicated in the preceding table certain freely available third-party software is required on client workstations to maximize all of the features in the Virtual One Stop suite.

VOS	V18.0	
Adobe Acrobat Reader	v8.0+	http://get.adobe.com/reader/otherversions/
Adobe Flash	v11+	
Meadco ScriptX	v7.4+	http://scriptx.meadroid.com/home.aspx
Microsoft RSClientPrint for SSRS reports		<p>Detailed instructions for installing the 2012 MS RSClientPrint control can be copied from the following site:</p> <p>http://www.sqlslayer.com/wp/2013/09/20/upgrading-to-ssrs-2012-client-side-printing-silent-deployment-of-rsclientprint-asp/comment-page-1/</p> <p>Downloading and installing the ActiveX control RSClientPrint.cab requires administrator permissions on the client machine.</p> <p>A user with permissions would opt to install when prompted by their browser to download the Active X control.</p>
DynamSoft HTML5 Document Scanning		<p>http://www.dynamsoft.com</p> <p>Download DynamicWebTWAINHTML5Edition.exe</p>

Meadco ScriptX 7.4 – ScriptX provides for the closely controlled printing of HTML- and XML-based documents. It is a client-side ActiveX object used throughout Virtual One Stop to ensure the consistent formatting and appearance of printed output from any local or networked printer, regardless of the printing attributes already set in that computer's browser. It temporarily controls printer settings such as margin sizes, header and footer information, page numbering, and whether to print in Landscape or Portrait mode. The control is in place at the time of printing a browser window or framed content; all settings are automatically restored to default settings and no permanent changes are saved. ScriptX v7.5 or later is required when working with Internet Explorer 8 on Windows XP, Windows Vista, and Windows 7.

Adobe Acrobat Reader 11 – Certain documents (such as User Guides and Quick Reference Cards) are available to our customers on our external OPC website as Adobe Acrobat files. They are also frequently attached as some of the resources that are available on the Staff Online Resources page in Virtual LMI. These files can be read with Adobe Acrobat Reader 6.0 or higher; however, it is recommended that this recent version of Adobe Acrobat Reader be installed. Acrobat Reader is free browser software.

Adobe Flash 11 – The Training/Learning Center Videos for Virtual One Stop can be watched with Adobe Flash 9 or later, although we recommend the current version 11. Adobe Flash is free browser software. The only limitations may be with client firewalls and security obstructions that may keep the videos from functioning correctly.

RSClientPrint is a Microsoft ActiveX control that enables client-side printing of Microsoft SQL Server Reporting Services reports. The ActiveX control displays a custom print dialog box that shares common features with other print dialog boxes. The client-side print dialog box includes a printer list for selection, print preview option, page margin settings, orientation, etc. Downloading and installing the ActiveX control RSClientPrint.cab requires administrator permissions on the client machine.

VOS uses CKEditor version 4.3.1

The version 14.0 Virtual One Stop (VOS) is currently using version 4.3.1 of CKEditor. CKEditor is used within the VOS system to allow you to use common word processing features in the system with such things as job descriptions, resumes and cover letters.

CKEditor supports all popular browsers including Chrome, Firefox, Internet Explorer and Safari. However, Internet Explorer 7 (or lower) and Firefox 3.6 are no longer supported (CKEditor 4.1.3 was the last version to support Internet Explorer 7 and Firefox 3.6).

It should also be noted that while the latest version of Safari is actively supported, earlier versions may have compatibility issues.

If you are using these unsupported browsers versions, your browser should be updated to avoid compatibility issues.
