The purpose of this grant is to create partnerships with organizations currently serving the Migrant and Seasonal Farmworker (MSFW) community to reduce barriers and expand access points to the Employment Service and Employment-Related Law Complaint System (Complaint System) pursuant to Title 20 Code of Federal Regulations (CFR), Part 658, Subpart E.

B. TARGET POPULATION

Proposals must demonstrate that effective and timely assistance will be provided to MSFWs seeking to file complaints. Target populations must include MSFWs in hard to reach and underrepresented high-density agricultural areas. The following definitions describe the target population for the purpose of this grant:

Farm work

For the purpose of this grant, farm work means the cultivation and tillage of the soil; dairying; and the production, cultivation, growing, and harvesting of any agricultural or horticultural commodities. This includes the raising of livestock, bees, fur-bearing animals, or poultry, the farming of fish and any practices (including any forestry or lumbering operations) performed by a farmer or on a farm as an incident to or in conjunction with such farming operations, including preparation for market, delivery to storage or to market or to carriers for transportation to market. C. PROPOSAL SUMMARY

Title 20 CFR, Parts 653 through 658 mandate the State Workforce Agency (SWA) to operate an outreach program to locate and contact MSFWs not reached through normal intake activities and inform them of the full range of government services.
