- <sup>4</sup> Employer should report the same amount as PIT wages that is reported for federal income tax wages.
- <sup>5</sup> California Assembly Bill (AB) 36 was signed by Governor Brown on April 7, 2011. This bill brings California into conformity with the federal government regarding healthcare reform legislation: The patient Protection and Affordable Care Act (Public Law 111-148) and The Health Care and Education Reconciliation Act of 2010 (Public Law 111-152) for state income tax purposes. State law provisions will no longer consider health care payments for adult children as income for California PIT purposes and therefore not subject to California PIT withholding.
