You may qualify for the Earned Income Tax Credit (EITC) depending on your annual earnings. The EITC is a refundable federal income tax credit available to low to moderate income working individuals and families. The EITC has no effect on eligibility for Medicaid, Supplemental Security Income, food stamps, or most other temporary assistance for those in need. Even if you do not owe federal taxes, you must file a tax return to receive the EITC. For more information regarding your eligibility for the EITC, or to obtain the necessary forms to apply for this refundable tax credit, visit the Internal Revenue Service (IRS) website at [www.irs.gov/eitc](http://www.irs.gov/eitc) or contact the IRS by telephone.
