The CalJOBS Governance Council (CGC) was formed per WSD16-23, Mandated Use of One Integrated Data System – Direct Data Key Entry into CalJOBS. The role of the CGC is to establish a diverse group of representatives that directly focuses on the evaluation and recommendation of future enhancements to the CalJOBS system.

The CGC is made up of 23 members: a representative from each of the 14 Regional Planning Units (RPU); a representative from the California Workforce Development Board; a representative from the Employment Development Department (EDD) Information Technology Branch; a representative from each of the three EDD field divisions; a representative from the EDD Labor Market Information Division; and three representatives from the EDD Central Office Workforce Services Division, CalJOBS Analysis and Operations Group. For more information regarding the members of the CalJOBS Governance Council and the jurisdiction they represent, please see the attached CalJOBS Governance Council Membership List.

The role of each CGC member is to relay information and vote on behalf of the jurisdiction they represent. Each jurisdiction should establish a process to ensure agenda items and information is transferred between the CGC member and the rest of the staff within the area they represent.

For more information on the CGC, please view the attached CalJOBS Governance Council Project Charter. If you have any questions regarding the CalJOBS Governance Council, please contact Nicole Laktash at 916-654-6804 or nicole.laktash@edd.ca.gov.

/S/ JAIME L. GUTIERREZ, Chief
Central Office Workforce Services Division
